

Press Board: Financial and Quantitative Analysis - International Summer Transfer Window 2020

Research papers: <https://carteret.group/research-posts/>

sky sports

“The Premier League clubs spent the most money on new artists at 1.34 billion euros. This comes from a report by the London company **Carteret Analytics.**”

BBC SPORT

“Clubs spent £1.218bn, £158m down on last year's £1.376bn, says investment company **Carteret Analytics.**”

RTL sport

“The impact of the coronavirus crisis on Premier League club spending seems rather limited according to figures from London-based **Carteret Analytics.**”
